ANNE WIEGARD AWARD FOR COURAGEOUS SERVICE BY FULL-TIME CONTINGENT ACADEMIC AND PROFESSIONAL FACULTY

The UUP Anne Wiegard Award for Courageous Service by Full-Time Contingent Academic and Professional faculty recognizes members of UUP who have served their union with courage and distinction, and whose service reflects contributions to UUP at either the state or chapter level. The Award shall be a framed certificate of appreciation, an appropriate piece of giftware preferably of New York State origin, and a visible historical archive located at UUP headquarters. After consultation with the Contingent Committee, UUP's Membership Committee shall be responsible for recommending nominees for this award to the statewide Executive Board. The statewide Executive Board shall make the final decision on each award. In making its recommendations, the Membership Committee shall consider service on UUP committees, both at the statewide and chapter levels; professional and union awards and honors; achievements of note; and other activities. Special consideration shall be given to those Full-Time Contingent Academic and Professional faculty members whose displays of courage have placed them at risk of personal and/or professional sacrifices.

Any member of UUP in good standing may nominate any member of UUP in good standing for service that the member has performed during a full-time contingent appointment. Chapter Executive Boards may nominate one candidate from their home Chapters. Members of the statewide Executive Board may also submit nominations. A Chapter nomination must be signed by the Chapter President or in the case where the Chapter President is the nominee, by the officer next in line for the Chapter Presidency and shall indicate the date on which the Chapter Executive Board approved the nomination. A nomination from members of the statewide Executive Board must be signed by at least three Board members. At the time of nomination, statewide UUP sitting officers are not eligible for consideration for the Anne Wiegard Award.

All nominations, whether they be self-nominations, nominations of others by individuals, chapters or other groups, must be emailed directly to Membership Development Officer Patrick Romain at promain@uupmail.org.

A valid nomination shall consist of a completed nomination form and a nominating letter, which has been received at the UUP Administrative Office by email no later than April 1 of the year of the award. The nomination form shall list relevant activities and achievements. The nomination letter should elaborate upon the specific accomplishments that form the basis of the nomination. The letter should provide details on the nature of the nominee's contributions to UUP. A nomination can be accompanied by up to two solicited letters from UUP members who are especially familiar with the character of the nominee's service. All valid nominations received will be considered by both the Contingent and Membership Committees before the Membership Committee makes its recommendations to the statewide Executive Board.
