

NYSUT - Hurricane Sandy Resource Sheet

The devastation and loss resulting from Hurricane Sandy reminds us of one of the tenets of organized labor: We must look out for one another. As we begin to hear reports of the damage sustained by our NYSUT brothers and sisters, please find some resources and points of contact that we can provide to those calling for assistance or are looking to help out:

RESOURCES:

United Way 2-1-1: For those members who need assistance with basic needs, we refer them to the United Way's 2-1-1 hotline which is operational in most of the affected areas. Further information regarding United Way's 2-1-1 program and disaster guide can be found at www.211ny.org or www.uwnys.org.

FEMA: If you haven't contacted the Federal Emergency Management Agency yet, call (800) 621-3362 or if you are able to access the Internet, go to www.disasterassistance.gov. If you are calling be aware you will need to have: your Social Security number, current and pre-disaster address, telephone number where you can be reached; insurance information, including policy numbers; total household annual income, a description of losses caused by the disaster; and the dates of the disaster.

NYSUT Social Services: This program provides expert guidance from experienced caring professionals to help members and their dependents cope with some of Hurricane Sandy's unexpected complications. Social Services staff may be reached at 800-342-9810, ext. 6206 or at socsvcs@nysutmail.org.

NYSUT Disaster Relief Grants: download the application for assistance at www.nysut.org/disasterrelief, or contact your local president or NYSUT regional office. Please refer questions about the Disaster Relief Fund to Jeff Lockwood at 800-342-9810, ext. 6252 or at disasterrelief@nysutmail.org. Completed applications can be forwarded to NYSUT Disaster Relief Fund: Attn: Jeff Lockwood, Accounting Department, 800 Troy-Schenectady Road, Latham, New York 12110

Metlife Auto and Home Questions: In addition, those members who are participants of the NYSUT Member Benefits-endorsed MetLife Auto & Home program should file claims with MetLife. However, if during that process questions arise, members should feel free to contact Lynette Metz at NYSUT headquarters, 800-342-9810, ext. 1244.
