United University Professions
2018-19 Budget & Legislative Agenda

SUNY:
Academic Medical Centers

The state's subsidy for SUNY's three teaching hospitals has been cut by \$75 million since 2008. Losing these funds impacts the hospitals' ability to care for the uninsured and underinsured patients they must serve.

This year, this important subsidy was cut completely from the proposed 2018-2019 Executive Budget.

BUDGET PRIORITIES FOR 2018-2019

- ✓ Restore the \$78.6 million hospital subsidy cut from the proposed 2018-19 Executive Budget. Allocate an additional \$74.4 million to return the hospital subsidy to its original level of \$153 million. The state must resume its clear-cut responsibility to ensure that these state-owned and operated institutions provide the best medical assistance possible.

Also, UUP supports a SUNY proposal requesting the state pay \$36.1 million to cover the hospitals' debt service.

- ✓ Approve legislation to force the state to meet mandates to match federal DSH payments with Medicaid dollars, and require it to pay all future DSH payments owed to the hospitals.
- ✓ Pass a law that would protect SUNY's public hospitals from DSH allocation cutbacks due to changes in federal legislation.
- ✓ Add \$15 million to create the Buffalo Teaching Health Care Fellows program.
