The following provides highlights of UUP-negotiated benefits and other provisions available to part-time employees—Academics and Professionals whose work obligation is less than 100 percent Full Time Equivalent (FTE).

The list below is not exhaustive, but is meant to flag key areas of importance.

**Union membership:**
www.uupinfo.org/constitution/constitution.php

- Part-time employees are members of the collective bargaining unit represented by UUP. Employees who join UUP by signing a membership card are full UUP members. They receive a full vote in all union chapter elections and contract ratifications. They may hold any office in UUP and have all the same rights as full-time employees. [Article III]

- The UUP constitution requires that every UUP Chapter have an elected Officer for Contingents. The Officer for Contingents represents part-time and full-time UUP members who are not eligible for “tenure,” i.e., continuing appointment for academics, permanent appointment for professionals. [Article VII]

All of the following Articles referenced are in the 2016-2022 NYS-UUP Agreement at the following link:

**Appointments:**

- Part-time employees receive appointment letters informing them of their compensation, the duties they are required to perform, and the type and duration of their appointments. In addition, part-time employee appointment letters identify benefits for which they are eligible, e.g., health, leave, and other specified benefits. Appointment letters are crucial in setting the full professional obligation for part-time employees. Work duties not specified in appointment letters should not be performed without additional compensation. [Contract Article 30.3 (a) and (b)]

- After 4 consecutive semesters, part-time employees who are reappointed will receive a “term” appointment. A “term appointment entitles employees to a job for the period of time specified in their appointment letters. SUNY Policies of the Board of Trustees www.suny.edu/Board_of_Trustees/PDF/Policies.pdf Article XI, Title D, Paragraph 2, Section (b). [Contract Article 30.1]

- If they are not to be rehired when their “term” expires, they are entitled to at least 45 calendar days of notice prior to expiration of their current term appointment. [Contract Article 32.1 (a)]

**Compensation:** [Contract Article 20]

- Part-time employees will be entitled to all across-the-board salary increases negotiated by UUP and to any other salary increases specified as applicable to part-time employees in Article 20 of the UUP contract. Part-time employees are eligible for Discretionary Salary Increases if on payroll on each DSI eligibility date, but campus administrations determine which UUP bargaining unit members receive DSI.

- Part-Time Academic Faculty Minimums—per 3-credit course or 3-credit course equivalent.
