# RETIRED MEMBERSHIP APPLICATION

## The Benefits of UUP

Whether you are retired or just thinking about retirement, you do not have to stop being active in UUP! Retired Membership is open to any UUP member who retires from SUNY with a minimum of five years of continuous UUP membership leading up to their retirement. If a UUP member has fewer than five years of employment, the member must have continuous membership for the length of their employment.

Additionally, Retired Members have the right to vote and to serve in elected and appointed positions, such as the chair of the Retiree Membership Governing Committee (RMGC). The RMGC chair also serves as the elected delegate to UUP Delegate Assemblies and as a nonvoting member of the UUP Executive Board. Retired Members may also be elected as a regional RMGC representative, or as a chapter officer for retirees.

Also, UUP members who retire in good standing are eligible for \$1,000 of Group Term Life Insurance Coverage and are eligible to participate in the various voluntary programs listed below.

## UUP Retired Members make a difference.

Many of our retirees choose to remain involved with UUP because they understand that their union helped them retire with dignity and security.

UUP retirees have the energy and the time necessary to spread UUP's message and work for the good of all

our members. For some, it's a way to give back. Others stay active to create positive change for UUP and SUNY.

"UUP recognizes the vital role retirees play, and we appreciate and encourage their continued involvement in their union. UUP is committed to working to protect the rights and represent the interests of our Retired Members, a constituency that continues to grow each year.

I encourage you to continue your UUP membership as a Retired Member. You have so much to offer and our members have so much to gain. UUP needs your wisdom, your dedication and your drive.

Your union can't do it without you.

— UUP President Fred Kowal
