It is the applicant's responsibility to see that an official transcript is sent by the college registrar and **received by the Trustees in the UUP office no later than March 1.** UUP is not responsible for any delays by the United States Postal Service (USPS) or any private delivery company. If the applicant has earned 35 or more credits within the past five years from another institution(s), including other units of SUNY, a transcript(s) from the institution(s) must also be provided.

Letters of Evaluation:

The Trustees of the UUP College Scholarship Fund place a great deal of emphasis on Letters of Evaluation in making their final determinations. Therefore, it is important for applicants to select evaluators who are familiar with their character and their contributions, and who can address these attributes in the context of the ideals of organized labor.

1. Although applicants are required to submit only three Letters of Evaluation, it is suggested that applicants distribute at least four copies of the Letter of Evaluation form to be sure the required three letters reach the Trustees within the time limit.
2. Applicants should make every effort to personally contact each individual asked to write a Letter of Evaluation and should follow up with references to ensure they have forwarded their recommendations.
3. Applicants should sign the Waiver Statement if they do not wish to see their Letters of Evaluation under the Federal Educational Rights and Privacy Act of 1974. If they choose **not** to waive their rights, the applicants should not sign the Waiver Statement.

Interview Procedure:

Scholarship finalists are required to interview with the UUP Scholarship Selection Committee. The interview is typically scheduled the last week in May. If you cannot make the interview, you will not be considered.

Notification:

Recipients, as well as non-recipients, of the UUP College Scholarship Awards will be notified by mail of the Trustees' decision by the end of August. The Trustees' decision will be final.

All materials submitted remain the property of the UUP College Scholarship Fund and will not be returned.

Applicant's Checklist:

- Current Grade-Point Average:** See that an official transcript of your college work is received by the Trustees in the UUP office no later than March 1. UUP is not responsible for any delays by the United States Postal Service (USPS) or any private delivery company. If you have earned 35 or more credits within the past five years from another institution(s), including other units of SUNY, you must provide a transcript(s) from the institution(s).
- Applicant's Statement:** Limit yourself to 400-600 typewritten words. The success of the application is based largely on how well the essay is written. You should write clearly, with emphasis on your understanding of labor unions and United University Professions as related to your career goals and your service on and off campus. The UUP Scholarship Selection Committee is interested in your commitment to labor union values and social justice in student, social, political, environmental, and other organizations in which you have been active. The UUP Scholarship Selection Committee wants to know who you are and what you do or intend to do that will make a difference to all of us.
- Affirmation:** Make sure that you have read and signed the Statement of Affirmation before you submit the completed application.

- Letters of Evaluation:** Three Letters of Evaluation should be submitted by persons in leadership/supervisory positions who can attest to your contributions to the college, the university, and/or the community. It is in your best interest to select writers who are familiar with your qualities and who can comment clearly and thoroughly on some of these attributes. At least one letter should be from a member of the faculty of the college you now attend and should address your academic performance and contributions. A second letter should be from someone who can evaluate your leadership/service. The collective judgment of your evaluations will be an important factor in formulating the Trustees' decision.
It is your responsibility to distribute copies of the Letter of Evaluation form to your evaluators. These completed forms must be received in the UUP office no later than March 1. UUP is not responsible for any delays by the United States Postal Service (USPS) or any private delivery company.
- Waiver Statement:** Make sure you read and sign (if you choose) the Waiver Statement on each Letter of Evaluation form before you distribute it.
- Documents:** If the following documents are not received as part of your application, your application will not be considered:
(1) Application; (2) Statement; (3) Official Transcript(s); and (4) Three Letters of Evaluation.
