

Report of the Outreach Committee

2023 Fall Delegate Assembly

This summer, the Outreach Co-Chairs were working on organizing the committee, working with Chapter Presidents to nominate a Chapter Political Coordinator for their chapters, and identifying ways to help chapters develop their political activists and action teams.

We have been working on a strategic plan to submit to the executive board. Our goals are to develop a robust committee of chapter leaders who will mobilize for political action, develop legislative relationships, and offer UUP members a path to have their voices heard.

The committee met at this Delegate Assembly and discussed getting ready for the legislative session. Currently we are planning for our two Legislative Town Halls on October 20th at noon and October 24th at 6 pm. We hope you can all attend to share your thoughts on UUP's legislative agenda.

We express our appreciation for the legislative staff, and Assemblymembers Sarah Clark and Harry Bronson for a dynamic workshop yesterday! We now call on all delegates to contribute to UUP's political power by connecting with their Chapter Political Coordinator and donating to Vote/Cope.
