

SOLIDARITY FUNDING REQUEST

UUP recognizes the importance of our role in our community. To that end, in 1988, the UUP statewide Executive Board established a Solidarity Fund to support endeavors of the labor movement. This fund, administered by the statewide Solidarity Committee, reviews applications for solidarity funding. The committee recommends a single contribution of funds up to \$300, with a maximum contribution of \$1,200 to a single organization, as outlined in the 3/18/23 policy revision.

All requests for solidary funds or charitable contributions must include all amounts of contributions requested and/or received from any specific UUP chapter.

This form shall be completed and submitted to the chair of the Solidarity Committee, Sandra Lewis sandrellica@yahoo.com.
