

Task Force Activities

The task force connects UUP members across SUNY campuses in a broad effort to address issues pertaining to teacher education and educational leadership programs. UUP Academics and Professionals from across SUNY work together to:

- Share information and ideas
- Provide input to the leadership of UUP and its affiliate, New York State United Teachers (NYSUT) for the development of official communications, policy proposals, and action plans to address issues impacting the teacher education issues
- Serve as liaisons between UUP leaders and our members at the chapter level
- Participate in relevant meetings with state officials, including the Board of Regents, State Education Department, and legislators
- Participate in relevant meetings with SUNY officials
- Disseminate information about opportunities to participate in state-level or national discussions, comment periods, and other forums for input.
- Develop advocacy agendas and action plans to support the teaching and teacher education professions and their faculty, staff, and students.
