Membership Meeting

The annual UUP picnic will take place on Conference Day of Professional Development Week, Wednesday, August 14, from 11:30 AM to 1 PM at the green space (adjacent to the Agriculture Building) opposite the Central Dining Hall. Chapter President Joe Petrick will provide a short update on the negotiated DSI equity distribution and other items of interest to UUP members. Alfred Chapter UUP officers will be present to answer questions. All UUP members, including new hires, adjunct faculty, Northland faculty and others in the bargaining unit are encouraged to attend. There will be opportunity to meet or catch up with colleagues as we begin the fall semester.

Also on Conference Day there will be a New Employee Orientation for recent hires in the bargaining unit. In the recent past this short orientation has included information not only on UUP, but has also included discussion of the promotion and continuing/permanent appointment processes that will be useful during employment at Alfred State College. This orientation is scheduled for 11 AM in room 106 of the Physical and Health Sciences building, adjacent to the location of the picnic.

Also attending the orientation and picnic will be the new-to-us Labor Relations Specialist Jamie Guilian, who has much experience as a Labor Relations Specialist for NYSUT. Jamie is replacing Pat Domaratz, who is now Director of NYSUT Field Services for UUP (i.e. the person responsible for coordination of all Labor Relations Specialists).

We look forward to seeing you there!

Hey, UUP members: you're getting a raise—thanks to the union’s tenacity at the negotiations table.

Members and SUNY employees represented by UUP are set to receive a 2 percent salary increase for 2019 effective July 1 or Sept. 1, based on whether they work full or part-time and if they are on a calendar or academic year work schedule.

But wait, there’s more.

Eligible UUPers and bargaining unit members will also receive the second half of the retroactive pay owed them by the state in their July 24 paychecks. The raises and retro pay are guaranteed as part of UUP’s 2016-22 contract with the state—which was negotiated by UUP and approved in September 2018 by a majority of members who voted on the pact. UUP members and represented workers will see a 12.6 percent salary increase over the life of the contract.

“This is what we mean when we talk about being union strong,” said UUP President Fred Kowal. “A strong union gives workers a unified voice at the negotiations table and on the job. Our members work hard for our students and our patients at SUNY, and they deserve the salary and back pay increases that are soon to appear in their paychecks.”

2 percent bump

UUP members who work on a calendar year schedule (pay basis codes ANN and CYF) will find a 2 percent salary increase in their July 24 paychecks.

Members who work and get paid on an academic schedule (pay codes 21P and CYP) will see the pay raise in their Sept. 18 paychecks. Employees who work on an academic schedule but elect to be paid over 12 months (pay code CAL) will see their 2 percent pay bump in their Oct. 2 paychecks.

And those employees who are paid hourly (pay code HRY), biweekly (pay code BIW) and through fees (pay code FEE) will get their raises based on their dates of obligation, according to the Payroll Bulletin issued by the state Comptroller’s Office.

Retro, on-call pay

The retroactive pay is due to eligible bargaining unit members (those who received the first half of retro pay in November 2018) and that worked without raises while the union negotiated its current six-year agreement with the state in 2016 and 2017. The back pay is for 2 percent raises negotiated by UUP for 2016 and 2017.

On-call pay rates will also increase effective July 1. On-call pay rates for upstate will rise to $6 per hour and to $8 for workers in New York City and on Long Island.

Equity Discretionary Salary Increases (DSI)

The 2016-2022 State/UUP Agreement earmarks one-half of the discretionary salary pools (or 0.5% of total UUP bargaining unit basic annual salaries at each campus) in 2019, 2020, 2021, and 2022 for distribution to address salary compression and inversion. The first of these distributions must occur by December 31, 2019. (Article 20.8, 20.10, 20.12 and 20.13) Appendix A-41 to the 2016-22 Agreement provides that the guidelines and methodology for analyzing the extent of salary compression and inversion at each campus will be developed in executive level discussions between UUP, SUNY and the Governor’s Office of Employee Relations (GOER). The results of these analyses will be utilized in distributing these funds to address identified compression and inversion. Since October 2018, UUP has met steadily with SUNY and GOER to develop these guidelines and methodologies. We have made significant progress, but more work remains to be done. To assure that campuses will not be overwhelmed by the work necessary to complete the salary analyses, SUNY officials recently met with HR representatives from all campuses to brief them on some of the data that must be collected to prepare for the analyses. Campuses were directed to begin collecting this data. If you hear about these efforts at your campus, please understand that this data collection effort is the beginning, not the end, of the process, and that statewide executive-level discussions continue. We will inform the UUP membership when we reach final agreement on the guidelines and methodology for the salary analyses. We expect work to continue through the spring and summer months, with more details available at the start of the fall 2019 semester. Salary compression occurs when there is little or no difference in pay – but significant differences in skill level, responsibility, qualifications, or seniority. Salary inversion occurs when salary compression, left unadjusted, results in new hires and less senior employees receiving salaries that are greater than more senior coworkers. Salary compression arises generally from a combination of factors including market forces disproportionately impacting starting salaries and insufficient pay increases tied to promotion and years of service.

UUP Benefit Trust Fund Scholarship Program

A new UUP Benefit Trust Fund Scholarship Program is available for undergraduate students; the program runs through the Spring 2022 semester. Scholarships of $500 per semester are available for eligible dependent children of active, UUP-represented SUNY employees.

Eligibility and guidelines:

- Scholarship awards can be used for books, supplies, or room and board costs; they cannot be used to pay for tuition.

- A maximum of one $500 scholarship per dependent child will be awarded each semester, even if both parents are UUP-represented employees.

- Eligible dependents, up to age 26, must be enrolled in a SUNY state-operated campus. Dependent children who turn 26 anytime during the semester in which they are applying are no longer eligible.

- Each dependent child is eligible for a maximum of eight scholarships. Scholarship checks will be issued in the UUP-represented employee's name.

- Applications must be postmarked by 60 days after the end of the semester for which the dependent child is applying.

- The scholarship form outlines specific criteria that UUP-represented employees and their dependent children must meet to qualify for the scholarship.

  — There are two different forms based on a member’s eligibility for the New York State Health Insurance Program. Non-NYSHIP-eligible employees will need to provide documentation verifying that they are the parent of the student.
