This week is National Nurses Week, and our Downstate Chapter celebrates our front-line health care providers and essential workers who put their lives on the line each day as they care for those stricken with the coronavirus.

Your hard work, your dedication and your sacrifices will always be appreciated and will never be forgotten. We believe the best way to thank our heroes is to secure personal protective equipment and advocate on their behalf with the Downstate administration and the state.

Through the generosity of UUP, our statewide affiliate New York State United Teachers (NYSUT), and other small—but just as important—donors, I and other Downstate Chapter leaders worked to coordinate and take delivery of donations of medical masks, gloves and isolation gowns to protect our members on the job.

Those items have been in short supply since March, when Gov. Cuomo designated Downstate as a COVID-19-only hospital.

In April, NYSUT sent our Downstate members 42,000 surgical masks to use as they worked on COVID-19 patients. These donations came as our hospital was experiencing drastic shortages of PPE. A photo of one of the deliveries below.

We also received a generous donation of 900 hand sanitizers from the Carmel Teachers Association in April, as well as donations from a number of individuals.

I would like to thank NYSUT President Andrew Pallotta and Secretary Treasurer J. Philippe Abraham, for recognizing our need and sending the masks to us.

We also received a generous donation of 900 hand sanitizers from the Carmel Teachers Association in April, as well as donations from a number of individuals.

I’d also like to take this opportunity to thank UUP Statewide President Fred Kowal, for his hard work to locate, purchase and deliver PPE that our members so desperately need.
On May 4, UUP delivered 2,000 N95 respirator masks to our Downstate Chapter members. Above, Downstate Chapter members take delivery of the masks.

A day later, a large, white tractor trailer pulled up to our hospital carrying 250 huge boxes, each packed with 1,000 isolation gowns. Besides the 25,000 gowns, UUP also sent 5,000 Nitrile gloves to Downstate.

It wasn’t easy to get the gowns. They were flown in from China, thousands of miles away. Once in the U.S., they were loaded into a truck in Alabama, and transported north to Brooklyn.

Our members will put them to good use, and we thank UUP for these desperately needed items.

Thank you to everyone who donated and helped us obtain vital protective equipment for our members.

**FIGHTING FOR HAZARD PAY, BONUSES**

The Downstate Chapter, working with UUP state leadership, has been strongly advocating to secure hazard pay and bonuses for our residents and fellows, and all of our front-line workers. At the chapter and statewide levels, we have been actively advocating for additional dollars to fund hazard pay and bonuses, which our members deserve.

I have exchanged letters and held discussions with Dr. Riley and campus administration about bonuses and hazard pay for our front-line workers. UUP Statewide President Fred Kowal has spoken with the SUNY administration and Gov. Cuomo’s staff about obtaining funding for bonuses and hazard pay.
We are committed to continuing the fight for this well-deserved compensation for our members.

**TELL CONGRESS: NEW YORK NEEDS HELP**

As the epicenter of coronavirus in America, New York State has been forced to spend billions to react to the virus and care for those who have contracted COVID-19. Those expenditures, combined with an estimated loss in revenue as high as $15 billion without emergency federal funding, could mean the continued viability of SUNY Downstate and the state as a whole.

That’s why it’s so important to join together and advocate for federal funding for New York and other states hit hardest by the pandemic.

You can do that by sending an e-letter to your congressional representatives telling them that New York needs their help. We are New York Strong but New Yorkers can’t recover from the pandemic without federal aid.

**SPECIAL UUP DELEGATE ASSEMBLY**

UUP’s Executive Board voted April 24 to convene a Limited Special Delegate Assembly to vote on UUP’s 2020-21 budget and to discuss temporary amendments to the UUP Constitution that would allow further outstanding business to be conducted.

Delegates must approve emergency amendments to UUP’s constitution before they can hold statewide nominations and elections and consider other business. A limited DA must be held to make constitutional changes that would allow such business to come before the body.

UUP officers are working with co-chairs of the Constitution and Governance committee and the Executive Board to develop a plan to make necessary constitutional changes.

Delegates will receive temporary and emergency constitutional amendments—with explanations and supporting documentation—prior to deliberations during the Limited Special Delegate Assembly.

The Executive Board will resume discussions about the limited DA May 22.

**UUP TELE-TOWN HALLS**

Participate in one of UUP’s Tele-Town Halls scheduled to take place in May. This virtual listening tour is a great way to receive an update on the current state of our economy, its impact on higher education funding and to have a voice in the direction that your union takes when facing this crisis.

The tele-town halls will take place on the following days:
- May 13, 2020 at 3:00 PM
- May 19, 2020 at 6:30 PM
- May 21, 2020 at 11:00 AM

To hear from as many members as possible, we are asking participants to choose just one date to join in on the conversation. Registration for the May 13 tele-town hall has been closed.

[CLICK HERE to register for tele-town halls on May 19 and May 21.](#)

Follow the registration link and sign-up to attend one of these events. Information on how to log-in to the event will be sent the week of the tele-town hall. You can also go to the UUP website for further information - [www.uupinfo.org](http://www.uupinfo.org).

Health Care Spending Account and Dependent Care Advantage Account changes

Due to the COVID-19 pandemic, the deadline to submit 2019 claims for the Health Care Spending Account (HCSA) and Dependent Care Advantage Account (DCAA) has been extended to May 31, 2020.

The deadline was previously extended to April 30, 2020. Employees who are enrolled in either benefit now have until May 31 to submit claims for health care or dependent care services provided during the 2019 calendar year. Claim forms and instructions for submitting claims can be found on the Flex Spending website at goer.ny.gov/FSA.

In addition, the recently enacted CARES Act made several changes to the rules concerning eligible HCSA expenses. Specifically:

- Effective Jan. 1, 2020, the requirement that OTC drugs and medicines must have a written prescription in order to be reimbursed is eliminated. OTC drugs and medicines may now be reimbursed by the HCSA without a prescription from a doctor.

- Effective Jan. 1, 2020, menstrual care products are now considered qualified medical expenses and are eligible for reimbursement by the HCSA.

Employees will be able to use their WageWorks debit card when purchasing these items. Since the change is retroactive to January 1, 2020, employees are encouraged to submit receipts for previously purchased items for reimbursement.

UUP, SUNY agree on MOU

UUP and SUNY have entered a Memorandum of Understanding to address members’ concerns about the potential impact of the COVID-19 crisis on teaching, research, scholarship or other work that could potentially impact upcoming reviews for tenure, permanent appointment, reappointment or promotion.

This agreement provides for clock extensions and possible exclusions of certain types of evaluative material from review processes.

CLICK HERE to read the MOU.

Key points of the agreement include:

- Academics serving in tenure-track academic positions who have not yet been permanently appointed and who are not up for review will receive an automatic one-year extension of their time to continuing appointment (also referred to as their tenure clock). Tenure-track academics who do not wish to have their tenure clocks extended may elect to opt out of the automatic one-year extension and be considered for tenure on their original schedule. This extension will not require a change in current academic rank.

- Professionals coming up for review in the next two years shall be granted an extension of their time to permanent appointment (or
permanent appointment clock) of up to six months if requested by the employee. Such a clock stop shall be granted by moving the employee to qualified professional rank for the time requested.

- Any employee (full or part-time) who taught or provided educational support such as tutoring or counseling during the Spring 2020 semester may elect not to include Spring 2020 student evaluations, peer teaching observations, and/or curricular materials from this semester in future reappointment, promotion, or continuing appointment/permanent appointment review materials. The agreement provides that the exclusion of these materials shall not reflect negatively on the individual's review.

The clock extension for tenure track academics requires amendment of the relevant Board of Trustees Policies. The Board of Trustees passed the necessary resolution to accomplish this at its May 6 meeting.

**CONGRATULATIONS!**

I would like to congratulate all of our members who were awarded the Professional Development Award for their projects and activities for the period July 2, 2019- July 1, 2020.

Funding for the awards program was negotiated by UUP and is outlined in Article 42 of the 2016-2022 Union contract.

Awardees were selected by the campus PDA Committee whose members were appointed by both UUP and the Administration. Thanks to Anika Daniels-Osaze, UUP co-chair; Jeff Rosen, co-chair Labor Management; and members of the committee--Elizabeth Smith, Khadijah Sikriti, Angela Melton-Taylor, Dawn Haggerty, Ellen McTigue and Milton Lewis-- for their efforts.

Special thanks to Yolanda Wilson and Milton Lewis, who served as staff and business liaison respectively.

All recipients of the Professional Development Award will receive a letter from the committee outlining the process to be reimbursed.

If you have questions or concerns, please email Yolanda Wilson at Yolanda.Wilson@downstate.edu and copy Anika Daniels-Osaze at Anika.Daniels-Osaze@downstate.edu and copy Milton Lewis at Milton.Lewis@downstate.edu.
