

Hello, my name is \_\_\_\_\_. I'm a constituent from (your town) New York. I am a (your job) at (your school), part of the SUNY System. I, along with my union colleagues are concerned about potential state budget cuts to the State University system without support from the federal government. The economic shutdown from corona virus has decimated state budget revenues. Without significant financial help from Washington students and working-class families will suffer. I strongly encourage the (Congressman/Congresswoman/Senator) to please vote for a funding package that assists New York and the SUNY system. Thank you!
