## FROM UUP PRESIDENT FRED KOWAL

Since its inception, the Retired Membership Governing Committee (RMGC) has worked diligently in its charge to encourage and promote retired membership in UUP; to make recommendations on organizational structures; to continue the mutually beneficial relationship between retirees and their union; and to ensure that the interests and concerns of retirees are considered. RMGC has done that—and more.

This “Organizing Your Vital Records” booklet is the latest in a long list of services and resources provided by RMGC and UUP.

The officers and I wish to thank the members of RMGC for their ongoing commitment to our retired members and for developing a checklist that helps all members organize their personal records in one handy booklet.

In union,

A handwritten signature in black ink, which appears to read "Fred Kowal". The signature is written in a cursive, flowing style.

Frederick E. Kowal  
President, UUP

# NEW YORK LIVING WILL

*This Living Will form is free and available on the web. If you live outside NYS, check the web for the appropriate form for your state.*

I, \_\_\_\_\_, being of sound mind, make this statement as a directive to be followed if I become permanently unable to participate in decisions regarding my Medical care. These instructions reflect my firm and settled commitment to decline medical treatment under the circumstances indicated below.

I direct my attending physician and other medical personnel to withhold or withdraw treatment that serves only to prolong the process of my dying, if I should be in an incurable or irreversible mental or physical condition with no reasonable expectation of recovery.

These instructions apply if I am: a) in a terminal condition; b) permanently unconscious; or c) if I am conscious but have irreversible brain damage and will never regain the ability to make decisions and express my wishes.

I direct that treatment be limited to measures to keep me comfortable and to relieve pain, including any pain that might occur by withholding or withdrawing treatment. While I understand that I am not legally required to be specific about future treatments, if I am in the condition(s) described above, I feel especially strong about the following forms of treatment:

**I do not want** cardiac resuscitation.

**I do not want** mechanical respiration.

**I do not want** tube feeding.

**I do not want** antibiotics.

**I do want** maximum pain relief.
