UUP Statewide Membership  
Development Officer

The UUP Statewide President appoints two retired members to the board to oversee the statewide retired membership structure for the chair and the UUP President. They serve three-year terms, and if appointed during a term, they serve out that term and can be reappointed.

A Regional Chair (or Coordinator) is elected every three years from the retired members of that region. They develop a network of communications with the Chapter Officers for Retirees and retiree members in their region. They plan at least one regional event per year and represent their region in the statewide meeting.
